

DETROIT AREA WOODTURNERS

If you are a woodturner or interested in woodturning, you are invited to attend our club meetings held at 200:pm on the third Sunday of the month at the Shelby Twp Shadbush Nature Center

Our meetings are a great place for fellowship, they include live demonstrations, members sharing their accomplishments, knowledge of wood turning, tool and process discussions.

Our newsletters are informative and interesting a place where you can gain valuable tips and share club information.

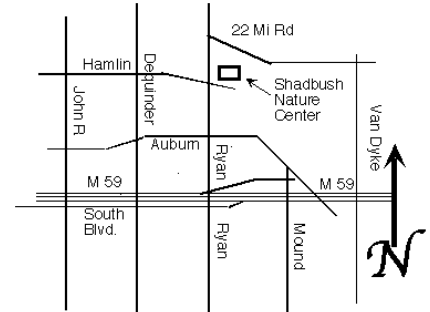

Build your own tools...Create your own designs...Learn new techniques.
